

PRAYERS FOR WEEK OF APRIL 19 to APRIL 25

Sunday: Blessed Jesus, you have paid for my salvation through your death on the cross. You made me a child of the light that I might guide others to you. You have made me worthy and I thank you. Help me to shine for you in the darkness of this world. Amen.

Monday: Dear Jesus, you have the words of eternal life. I am sorry I stray from obeying your voice and try instead to live by my own strength and efforts. Please bring me back to your life-giving words. Shepherd me in your will and ways. Bring me into the fold of your teaching and loving care. Amen.

Tuesday: Dear God, thank you for creating and knowing me even in my mother's womb. I'm amazed at all the ways you call me back to your heart of love. Please forgive me for not seeing your hand molding me and shaping me according to your will. Complete your good work so I can glorify you this day and always. Amen.

Wednesday: Heavenly Father, your ways are beyond comprehension. I adore you and worship you this day. I cannot understand or comprehend the whole of your ruling power, but I trust through your Word and your Son that all things are in your hands including me. Thank you for your eternal faithfulness. May I be a bold witness to your amazing deeds. Amen.

Thursday: You are the giver of all good things. You withhold no precious gift from your children. Just as an earthly father longs to give to his children and provide for them. You long to bless us. I specifically thank you for the gift of my faith. Amen.

Friday: Thank you Lord Jesus for being my good shepherd who leads me into paths of righteousness. I confess I have not honored you with my love and willingness to serve. Give me a redeemed heart in place of stubborn resistance. Move me by your Holy Spirit to share the good news with every hungry and lost soul you place before me. Amen.

Saturday: Dear Jesus, on days I feel deprived Lord help me to slow down and think of all that others are lacking and what I can do about it. If there is someone who needs an encouraging word or a helping hand, please bring that person to my mind right now. Amen.
